

# EVIDENCE 5: Sabotage

## What is it?

Stolen CCTV footage

## What can we do with this?

Unfortunately evidence from the CCTV cameras that surrounded the hall appeared to have been stolen. A team of volunteers was charged with searching the surrounding area. Can you find the hidden evidence?

1. Take a look around you – can you see somewhere the evidence could be hidden?
2. When you have found the hidden pieces, see if you can complete the puzzle.

*Who did it?*
